The following questions are questions about material circumstances that are likely to influence the insurer's decision, to conclude the contract at all or with the agreed content. In accordance with § 19 VVG (obligation to notify), the policyholder is obligated to submit the following until the insurer in text form of all circumstances of risk known to the insurer which the insurer has asked for in text form and which are relevant for the insurer's decision to conclude the contract with the agreed content. The Insured is also obliged to notify the Insurer to the extent that the Insurer asks questions in the above sense in text form after his declaration of contract but before acceptance of the contract.
Incomplete and incorrect information on the risk-relevant circumstances shall entitle the insurer, in the case of intentional or grossly negligent breach of contract, to Breach of the duty of disclosure to withdraw from the insurance contract. If the duty of disclosure is neither intentionally nor grossly negligently violated, the Insurers have the right to terminate the contract within one month of becoming aware of the obligation to notify, giving one month's notice.
We therefore ask you, also in your own interest, to answer the questions completely and truthfully.
Marked is considered to be correct. Lines, other characters in the text or non-response are considered as negation.
